

Virtual Guild Meeting -June 15, 2023

10:30 am – 12:00 pm Eastern

Guest Speaker: Anne Frost

Anne Frost is a strong supporter of heritage knitting and other fiber crafts. In her podcast, **I Thought I Know How**, she often shares interviews with members of the knitting community from around the world. She also hosts the **Makkin Our Way Through Shetland** tours to take knitters directly to the source to learn more about Fair Isle and Shetland Lace knitting from teachers who are part of the original continuum of knowledge.

In her talk, Anne will share her thoughts about why it's so important to preserve heritage crafts by directly supporting those who are carrying on their local fiber art traditions. She also addresses how to be a gracious fiber traveler and how to make your first (or 30th!) fiber trip a reality.
